Sir:

In response to the Office Action dated November 18, 2003, please consider the remarks as submitted herewith on the accompanying pages.

REMARKS

Claims 1-7 are all the claims pending in the application. In the present Office Action, the Examiner indicates that the arguments filed on September 30, 2003 have been fully considered and that they are not deemed to be persuasive. However, the Examiner now applies a new reference to support the rejections of the claims. Claims 1-5 are now rejected under 35 U.S.C. § 103(a) as allegedly being unpatentable over Behr et al. (U.S. Patent No.: 6,104,316) in view of new reference Warabino et al., "Video Transcoding Proxy for 3Gwireless Mobile Internet Access", IEEE October
